Create

Start archiving your video at the point of creation.

Transfer

Move video and metadata from one device or location to another.

Acquire

Receive video and metadata from a source and add it to your collection.

Organize

Organize your digital video files and documentation.

Store

Store your videos, manage the storage environment, and recover from errors.

Catalog

Create a structured and searchable system for creating and managing metadata, and finding your videos.

Preserve

Ensure that your collection will be preserved and accessible far into the future.

Share

Make your collection accessible to others outside your organization.

Use.

Share.
