Title: Dear Minister [Letter 8]
Author: Pasteur, Louis, 1822-1895.
Abstract: Reference letter written by Pasteur to support the appointment of René Guilleminot to the Court of Bionn. Includes a typed translation into English and audio of translation.
Description: Arbois (Jura), 29th September 1864 Dear Minister, I am taking perhaps a little indiscreet liberty to recommend to your benevolence the request of Mr. René Guilleminot, President of the Civil Tribunal in Bionn (Puy-de-Dôme), who is currently expressing to obtain a counsellor seat at the Court of Bionn. I am, however, well assured, dear Minister, that you shall excuse my actions if I add that Mr. Guilleminot's great personal merit has been known to me for many years, and that it is sufficiently testified by the enclosed enumeration of his scientific and literary titles and his scholarly publications on law, and finally by his long services. Please accept, dear Minister, the homage of my respect, L. Pasteur Of the Académie Française and the Académie des Sciences
